

Product Information

COX-2 (murine) Polyclonal Antibody - Affinity Purified Catalog No. 160126

COMMENTS

A Material Safety Data Sheet on this material is not required as this substance is a naturally occurring animal product. However, we do recommend the following minimum precautions when using this substance:

- **Do not get in eyes, on skin, or on clothing.**
- **Wear protective gloves and safety glasses.**
- **Do not release this material to the environment; dispose of by incineration in accordance with federal, state, and local regulations.**
- **Keep container closed.**
- **Wash thoroughly after handling.**

The above information is believed to be correct but should only be used as a guide. Cayman Chemical disclaims any express or implied warranty as to the accuracy of the above information and shall not be held liable for any direct, incidental, or consequential damages resulting from reliance on the above information.
