2-methoxy Ketamine (hydrochloride)
Item No. 12048

CAS Registry No.: 6728-62-7
Formal Name: 2-(2-methoxyphenyl)-2-(methylamino)-cyclohexanone, monohydrochloride
MF: C_{14}H_{19}NO_{2} \cdot HCl
FW: 269.8
Purity: ≥98%
Stability: ≥2 years at -20°C
Supplied as: A crystalline solid
UV/Vis.: \lambda_{\text{max}}: 277 \text{ nm}

Laboratory Procedures
For long term storage, we suggest that 2-methoxy ketamine (hydrochloride) be stored as supplied at -20°C. It should be stable for at least two years.

2-methoxy Ketamine (hydrochloride) is supplied as a crystalline solid. A stock solution may be made by dissolving the 2-methoxy ketamine (hydrochloride) in the solvent of choice. 2-methoxy Ketamine (hydrochloride) is soluble in organic solvents such as ethanol, DMSO, and dimethyl formamide (DMF), which should be purged with an inert gas. The solubility of 2-methoxy ketamine (hydrochloride) in ethanol and DMSO is approximately 10 mg/ml and approximately 5 mg/ml in DMF.

Further dilutions of the stock solution into aqueous buffers or isotonic saline should be made prior to performing biological experiments. Ensure that the residual amount of organic solvent is insignificant, since organic solvents may have physiological effects at low concentrations. Organic solvent-free aqueous solutions of 2-methoxy ketamine (hydrochloride) can be prepared by directly dissolving the crystalline solid in aqueous buffers. The solubility of 2-methoxy ketamine (hydrochloride) in PBS, pH 7.2, is approximately 5 mg/ml. We do not recommend storing the aqueous solution for more than one day.

Ketamine (Item No. 11630) is a dissociative anesthetic that acts as an NMDA receptor channel blocker.\(^1\) It is regulated as a Schedule III compound in the United States. 2-methoxy Ketamine is an analog of ketamine in which the 2-chloro group is replaced with a methoxy group. The physiological and toxicological properties of this compound are unknown. This product is intended for forensic and research applications.

**WARNING:** This product is for laboratory research only; not for administration to humans. Not for human or veterinary diagnostic or therapeutic use.

**SAFETY DATA**
This material should be considered hazardous until information to the contrary becomes available. Do not ingest, swallow, or inhale. Do not get in eyes, on skin, or on clothing. Wash thoroughly after handling. This information contains some, but not all, of the information required for the safe and proper use of this material. Before use, the user must review the complete Safety Data Sheet, which has been sent via email to your institution.

**WARRANTY AND LIMITATION OF REMEDY**
Cayman Chemical Company makes no warranty or guarantee of any kind, whether written or oral, expressed or implied, including without limitation, any warranty of fitness for a particular purpose, suitability and merchantability, which extends beyond the description of the chemicals herein. Cayman warrants only to the original customer that the material will meet our specifications at the time of delivery.

Cayman will carry out its delivery obligations with due care and skill. Thus, in no event will Cayman have any obligation or liability, whether in tort (including negligence) or in contract, for any direct, indirect, incidental or consequential damages, even if Cayman is informed about their possible existence.

This limitation of liability does not apply in the case of intentional acts or negligence of Cayman, its directors or its employees.

Buyer's exclusive remedy and Cayman's sole liability hereunder shall be limited to a refund of the purchase price, or at Cayman's option, the replacement, at no cost to Buyer, of all material that does not meet our specifications.

Said refund or replacement is conditioned on Buyer giving written notice to Cayman within thirty (30) days after arrival of the material at its destination. Failure of Buyer to give said notice within thirty (30) days shall constitute a waiver by Buyer of all claims hereunder with respect to said material.

For further details, please refer to our Warranty and Limitation of Remedy located on our website and in our catalog.
