Pyrazolam
Item No. 14901

CAS Registry No.: 39243-02-2
Formal Name: 8-bromo-1-methyl-6-(2-pyridinyl)-4H-[1,2,4]
triazolo[4,3-a][1,4]benzodiazepine
MF: C16H12BrN5
FW: 354.2
Purity: ≥98%
Stability: ≥2 years at -20°C
Supplied as: A crystalline solid
UV/Vis.: λ<sub>max</sub>: 222 nm

Laboratory Procedures
For long term storage, we suggest that pyrazolam be stored as supplied at -20°C. It should be stable for at least two years.

Pyrazolam is supplied as a crystalline solid. A stock solution may be made by dissolving the pyrazolam in the solvent of choice. Pyrazolam is soluble in organic solvents such as ethanol, DMSO, and dimethyl formamide (DMF), which should be purged with an inert gas. The solubility of pyrazolam in these solvents is approximately 10, 20, and 30 mg/ml, respectively.

Pyrazolam is sparingly soluble in aqueous buffers. For maximum solubility in aqueous buffers, pyrazolam should first be dissolved in DMF and then diluted with the aqueous buffer of choice. Pyrazolam has a solubility of approximately 0.5 mg/ml in a 1:1 solution of DMF:PBS (pH 7.2) using this method. We do not recommend storing the aqueous solution for more than one day.

Pyrazolam is a benzodiazepine that has been abused recreationally. Like other benzodiazepines, pyrazolam has anxiolytic effects. This product is intended for forensic and research purposes.

WARNING: THIS PRODUCT IS FOR LABORATORY RESEARCH ONLY: NOT FOR ADMINISTRATION TO HUMANS. NOT FOR HUMAN OR VETERINARY DIAGNOSTIC OR THERAPEUTIC USE.

SAFETY DATA
This material should be considered hazardous until information to the contrary becomes available. Do not ingest, swallow, or inhale. Do not get in eyes, on skin, or on clothing. Wash thoroughly after handling. This information contains some, but not all, of the information required for the safe and proper use of this material. Before use, the user must review the complete Safety Data Sheet, which has been sent via email to your institution.

WARRANTY AND LIMITATION OF REMEDY
Cayman Chemical Company makes no warranty or guarantee of any kind, whether written or oral, expressed or implied, including without limitation, any warranty of fitness for a particular purpose, suitability and merchantability, which extends beyond the description of the chemicals hereof. Cayman warrants only to the original customer that the material will meet our specifications at the time of delivery. Cayman will carry out its delivery obligations with due care and skill. Thus, in no event will Cayman have any obligation or liability, whether in tort (including negligence) or in contract, for any direct, indirect, incidental or consequential damages, even if Cayman is informed about their possible existence.

This limitation of liability does not apply in the case of intentional acts or negligence of Cayman, its directors or its employees.

Buyer’s exclusive remedy and Cayman’s sole liability hereunder shall be limited to a refund of the purchase price, or at Cayman’s option, the replacement, at no cost to Buyer, of all material that does not meet our specifications.

Refund or replacement is conditioned on Buyer giving written notice to Cayman within thirty (30) days after arrival of the material at its destination. Failure of Buyer to give said notice within thirty (30) days shall constitute a waiver by Buyer of all claims hereunder with respect to said material.

For further details, please refer to our Warranty and Limitation of Remedy located on our website and in our catalog.
